The flyer is titled "READY TO CHANGE YOUR FUTURE" in large, bold letters. It features a graphic of a graduation cap and a hand reaching up. The text lists various services offered, including GED courses, career training, ESL, civics, and computer literacy. It also mentions flexible classroom and online learning options. At the bottom, it provides the contact number 706-583-2551 and the website www.athenstech.edu/adulted. To the right of the flyer is a list of learning centers across various counties, including Clarke, Elberton, Hall, and others, with their respective addresses and phone numbers.

Meet a success story-

"I am in a place in my life that I never thought I would be. I am very thankful to my educational family at Athens Technical College for the constant push and encouragement to never give up. Graduating with my GED, earning my Certified Nursing Assistant License, and now working a full-time job at an assisted living facility, still feels like a dream that I am currently living to this day. Being able to get up everyday and do something productive continues to build my self-confidence so that I can encourage others to never stop pursuing their education."
