

Pre-Apprenticeship

When it is ...and perhaps isn't... a useful model

Design features that promote equity and learner success

What the research tells us

Opportunities for adult educators

Pre-Apprenticeship: Elements

**Leads directly into
an apprenticeship
program**

**For those who
experience barriers**

**Must address
those barriers**

**Demonstrated
need for *pre-*
apprenticeship**

**Does the wage
justify the use?**

Research & Design for Success

Promotes equity

On-the-job
mentorship

Blending
education and
training

Adult ed can
help address
the design
research gap
