The Virginia IET Blueprint

A Technical Assistance Blueprint for Integrated Education and Training
A project of the Virginia Adult Learning Resource Center

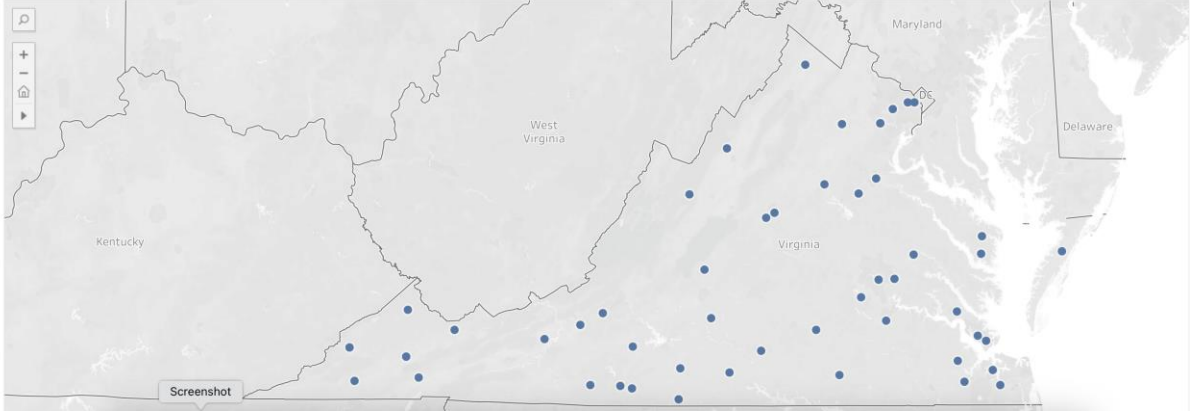

The screenshot shows the VALRC website header with navigation links and a main banner for the Virginia IET Blueprint. The banner includes the title and subtitle. To the right, a map displays the locations of planned IET and IELCE programs across Virginia, with blue dots indicating specific sites. The map also shows neighboring states: Kentucky, West Virginia, Maryland, and Delaware.

2022-2023 Planned IET & IELCE Programs by Locality by [KateRolander](#)

Map of Planned 2022-2023 IET & IELCE Programs in Virginia

The screenshot shows a map interface with a search bar and navigation controls. The map displays the locations of planned IET and IELCE programs across Virginia, with blue dots indicating specific sites. The map also shows neighboring states: Kentucky, West Virginia, Maryland, and Delaware.

Table Discussion:

- 1) How are ***stackable credentials*** being used in IELCE programming?
- 2) How can different IELCE programs come together and create a ***supportive network*** for practitioners?

Share Out

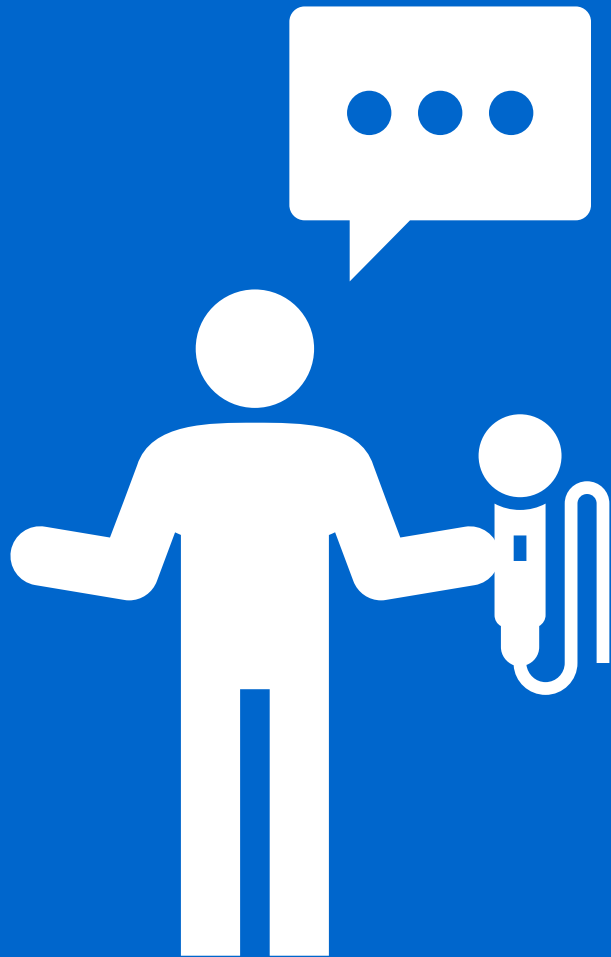

Table Discussion:
